MARCONIPHONE SERIES I.B. 3/1

INTRODUCTION

THE object of this book is to explain in simple terms how to connect up and make the necessary adjustments to your Marconiphone, so that you will be able to handle the instrument with confidence, and so gain the greatest possible enjoyment from this wonderful invention.

The directions have been prefaced with a brief outline of the general principles of Broadcasting in order to assist the uninitiated to a clearer understanding of their Wireless Receiver.
